Benefits of joining our children's memberships

Children's teeth and mouths change quickly as they grow. Our memberships support your child from their first baby teeth through to their adult teeth and teenage years, helping us monitor development, prevent decay and identify potential oral health issues early. By spreading the cost through affordable monthly payments, your child can enjoy regular preventive care and build healthy habits for life.

Dental health examinations: Thorough assessments for optimal oral health, X-rays when necessary, and emergency treatment cover following accidental injury.

Hygiene appointments: Routine plaque removal, expert advice to children and parents to prevent decay and gum disease, fresher breath, and a brighter smile for improved self-esteem.

Global Dental A & E Scheme enrolment: This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.

Preferential fees & benefits: Get a 15% discount on routine treatments, For a list of additional benefits, ask a member of the practice team for details.
